

Gain the qualification and Get the Job!

If you are 24 or over and looking to gain a Level 3 or higher qualification, you may qualify for one of the new 24+ Advanced Learning Loans. This recently launched scheme has been designed as a cost effective method to help fund your career development.

Introducing the Advanced Learning Loans Scheme

What can I study?

There are a range of level 3 and 4 qualifications that can be studied under the loans scheme with more qualifications being added every day.

Our most popular courses are:

- **Diploma in Health & Social Care**
- **Diploma in Children and Young peoples Workforce**

- You only start repaying when you earn over £21,000
- Even then repayments can be as low as £7 per month
- There is no credit check, household income check and you don't even have to be working

You can talk to the Money Advice centre if you require more information.

How is the course funded?

Most learners aged 24 and over studying for a Level 3 or 4 qualification will qualify.

- It's easy to apply – online or by post.
- No credit check necessary.
- Does not count towards your taxable income.
- Not means tested – household income isn't taken into account.
- You will only have to start paying anything back when your income is over £21,000.
- Even then repayments will be very affordable and only due whilst you are working.

How do I study? This programme combines knowledge and practical experience gained through a blended learning approach. This may include time in a classroom, 1 to 1 support from our tutors and experience gained for a working in a care setting.

What does it cost?

- There are no up-front course fees

So don't let course fees stop you getting on! Please call or email us today for further information on the loans and how to start a course.
